INTRODUCING GRAINCo. STORAGE

A DIVISION OF 

GrainCo Storage specialises in the alternative handling and storage of grain, bridging the gap between producer and off-taker.

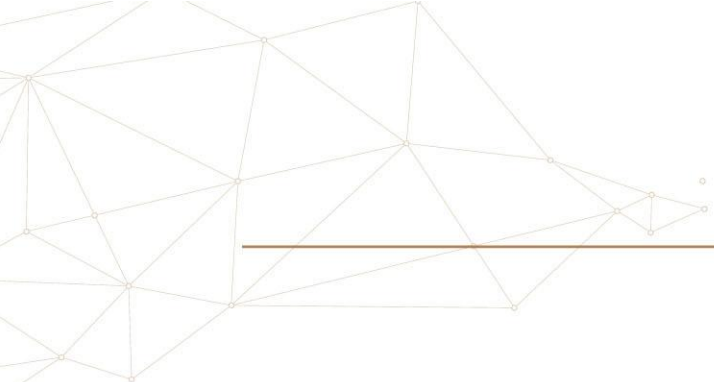

We provide solutions through exceptional service, experienced personnel, innovative practices and unique locations.

We pride ourselves on trustworthy relationships with our business partners.

GrainCo Storage has depots throughout South Africa's summer and winter grain-producing areas and manages more than 400 000 tons of grain annually.

1. HANDLING FEE

A one-time fee is charged per ton for the comprehensive service of mass determination, grading, handling in and handling out. The handling tariff for grain delivered up to 30 November 2026 will be invoiced on 3 December 2026. Grain delivered after 1 December 2026 will be billed on the day of delivery. The stated invoice will be payable within 30 days of the date of the invoice, after which interest at ABSA's current prime lending rate plus 2 percent will be charged. No silo certificates or out-loading instructions will be issued until these charges have been paid.

PRODUCT	SEASONAL PERIOD	RAND PER TON
Wheat	1 October 2026 - 30 September 2027	R75.00
Oats	1 October 2026 - 30 September 2027	R112.00
Triticale	1 October 2026 - 30 September 2027	R75.00
Feed barley	1 October 2026 - 30 September 2027	R75.00
Lupins	1 October 2026 - 30 September 2027	R75.00
Peas	1 October 2026 - 30 September 2027	R75.00

2. STORAGE

The customer must exercise their choice between the day rate and the seasonal rate in writing before or on 31 January 2027 at the depot or at Grainco Storage's head office. Daily tariff on wheat deliveries in the Swartland and Overberg will apply from 18 November 2026. Daily tariff on all other grain deliveries will apply from the delivery date until the choice is exercised or until this date. The customer must ensure that he makes his choice before or on this date, as no changes will be made after this date. All accrued storage costs must be paid in full before a silo certificate will be issued or before stock will be released.

2.1 Day Storage

PRODUCT	SEASONAL PERIOD	DAILY RATE MONEY FROM	RAND PER TON
Wheat Swartland	1 October 2026 – 30 September 2027	18 November	R1.56
Wheat Overberg	1 October 2026 – 30 September 2027	18 November	R1.56

PRODUCT	SEASONAL PERIOD	DAILY RATE MONEY FROM	RAND PER TON
Wheat Free state	1 October 2026 – 30 September 2027	Delivery date	R1.56
Oats	1 October 2026 – 30 September 2027	Delivery date	R1.56
Triticale	1 October 2026 – 30 September 2027	Delivery date	R1.56
Feed barley	1 October 2026 – 30 September 2027	Delivery date	R1.56
Lupins	1 October 2026 – 30 September 2027	Delivery date	R1.56
Peas	1 October 2026 – 30 September 2027	Delivery date	R1.56

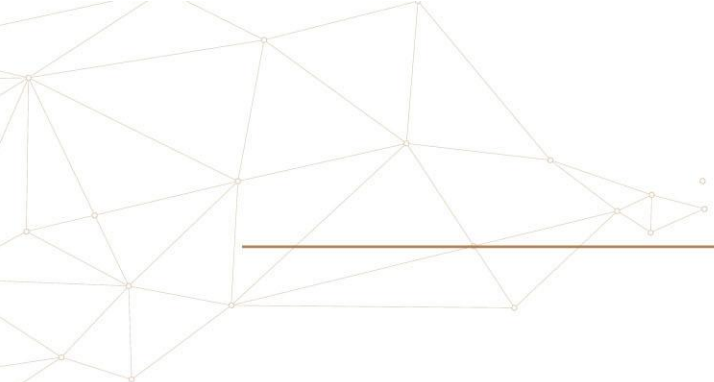

The storage fee is payable before any grain is released for discharge to any party.

2.2 Seasonal Rate

If the customer decides to make use of this option, billing will take place within 7 days after the choice has been made, and the said invoice will be payable within 30 days of the date of the invoice, after which interest at ABSA's current prime rate, plus 2 percent, will be charged. Seasonal storage is transferable between parties.

PRODUCT	SEASONAL PERIOD	RAND PER TON
Wheat	1 October 2026 - 30 September 2027	R190.00
Oats	1 October 2026 - 30 September 2027	R190.00
Triticale	1 October 2026 - 30 September 2027	R190.00
Feed barley	1 October 2026 - 30 September 2027	R190.00
Lupins	1 October 2026 - 30 September 2027	R190.00
Peas	1 October 2026 - 30 September 2027	R190.00

The service charges apply to the above-mentioned marketing seasons. If the grain is stored for longer than the above-mentioned dates, additional storage costs will be charged at the prevailing SAFEX day rate or Grainco Storage day rate for that commodity.

3. SILO CERTIFICATE COST AND ADMIN FEES

Definition of terms

- **Facilitation** – refers to instances where Grainco Storage handles the administration of the contract on behalf of the buyer of the grain.
- **Stock Transfer** – when the stock of one person or customer is transferred to a third party.
- **Buyers** – individuals and or institutions that purchase grain.
- **Producers** – individuals and or institutions that produce grain products.

Administrative fees

Facilitation Fees

Facilitation costs amount to R4.50/ton. Grainco Storage opens a facilitation contract in the buyer's name. Once deliveries take place, the producer nominates the contract on which the deliveries are made. If the producer indicates that the delivery is on the facilitation contract, a facilitation fee will be charged. The storage, handling and administration costs are for the buyer's account.

Grainco Storage requires the following information, should you be interested in a facilitation transaction:

- Silo where deliveries will take place.
- The type of grain to be delivered, e.g. Wheat, etc.
- The name and delivery number of the producer.
- The tonnage to be delivered.

The following arrangement shall apply in respect of facilitation contracts:

- Grainco Storage is not liable for any damages in any instance where the producer decides not to deliver his grain on the facilitation contract.
- Grainco Storage is not the agent or representative of the client.

Stock Transfer Costs

Transfer costs of stock from one client to another will amount to R4.50/ton.

Silo Certificate Costs

Silo certificate costs amount to R4.50/ton.

4. VAT

All prices exclude VAT.

In addition to the above-mentioned tariff, the customer is also liable to pay the Value Added Tax to the silo owner. The above costs apply to the following depots: Hassiesdrift, Melkboom, Pampoenkraal, Winterhoek, Nutopia, Goudkop or any other Grainco Storage depot in the Swartland, Overberg & Free state.
